

Client's Name: The Puerto Rico Aqueducts & Sewer Authority (PRASA)
Budget: \$11,545,000.00
Substantial: November 17, 2011
Services: Inspection

Project Name: Construction of a Sanitary Sewer System, Ingenio and Villa calma Community

The best **Construction** Management
Partner in Puerto Rico...

Scope:

The proposed project is located at the west of Toa Baja, and will provide the infrastructure needed to collect, transport and discharge the sanitary sewer collection system for ingenio and Villa Calma Communities and PR State Road 867. The project will solve the critical situation of this region that needs and adequate sanitary sewer system for the communities above mentioned, that now dispose their sanitary sewer in septic tanks and by other mean.
