**Municipal Government of Maricao**

### **Cost**

**\$**

### **Project Name**

**Nuevo Estadio de Beisbol Centro Urbano**

### **Description**

**The New Baseball Stadium of Maricao is located strategically in the urban center. The old and deteriorated stadium will be demolished in its entirety to make way for a new and modern baseball complex with capacity for 520 people including VIP areas. The architectural design was developed in a social perspective, including efficient amenities for disabled people and a comfortable play area for all age.**
